INTERNAL QUALITY ASSURANCE CELL

SUNL IQAC

SUNL IQAC is meant for planning, guiding and monitoring Quality Assurance and Quality Enhancement activities of the Institution. SUNL IQAC may channelize and systematize the effect and measures of an institution towards academic excellence. The IQAC will act as a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality. Since quality enhancement is a continuous process, the IQAC will become a part of institution's system and work towards the quality enhancement.

Our Objectives

The primary aim of the IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

Goals

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the Institution.
2. To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices. .
